PRASHANT SHARMA

has successfully completed the online Specialization

Learn Spring Boot in 100 Steps - Beginner to Expert

Congratulations on completing the "Learn Spring Boot in 100 Steps - Beginner to Expert" course! This certificate acknowledges your mastery of Spring Boot, covering key concepts like REST APIs, dynamic web application development, data persistence with JPA, and functional programming in Java. You've also explored advanced topics such as Spring Security, testing frameworks, and building tools like Maven and Gradle. This achievement demonstrates your ability to build, configure, and deploy production-ready Java applications. Congratulations again!
